**C. Public Hearing on Sufficiency of Instruction Materials**

Pursuant to California Education Code Section 60119 (as revised by Chapter 704, Statutes of 2006 and California Code of Regulations, Title 5, Section 9531), in order to be eligible to receive instructional material funds, the governing board of each district is required to hold an annual public hearing and adopt a resolution stating whether each pupil in the district has sufficient textbooks or instructional materials in specified subjects that are aligned to the academic current standards and consistent with the content and cycles of the curriculum frameworks adopted by the state board.

**BLOCHMAN UNION SCHOOL DISTRICT  
RESOLUTION 2020-2021-02  
RESOLUTION REGARDING SUFFICIENCY OR INSUFFICIENCY OF INSTRUCTIONAL  
MATERIALS**

Whereas, the governing board of BLOCHMAN UNION SCHOOL DISTRICT, in order to comply with the requirements of *Education Code* Section 60119 held a public hearing on SEPTEMBER 8, 2020, at \_\_\_\_\_ o'clock, which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours, and;

Whereas, the governing board provided at least 10 days' notice of the public hearing posted in at least three public places within the district that stated the time, place, and purpose of the hearing, and;

Whereas, the governing board encouraged participation by parents, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

**FOR A FINDING OF SUFFICIENT INSTRUCTIONAL MATERIALS:**

Whereas, information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the district/county office of education, and;

Whereas, the definition of "sufficient textbooks or instructional materials" means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and;

NOTE: The definition of sufficient textbooks or instructional materials no longer includes the phrase "to complete required homework assignments." Students must now be able to take their instructional materials home.

Whereas, sufficient textbooks and instructional materials were provided to each student, including English learners that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in the following subjects (see attached Appendix to Resolution for complete instructional materials listing):

- Mathematics
- Science
- History-social science
- English/language arts

Therefore, it is resolved that for the 2020/2021 school year, the BLOCHMAN UNION SCHOOL DISTRICT has provided each pupil with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.

**FOR A FINDING OF INSUFFICIENT MATERIALS:**

Whereas, the definition of “sufficient textbooks or instructional materials” means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and;

Whereas, information provided at the public hearing and to the governing board at the public meeting detailed that insufficient textbooks or instructional materials were provided to pupils in the following subjects and grade levels at district schools:

For each school list the percentage of students in each subject and grade levels for which insufficiencies exist in mathematics, science, history-social science, and English/language arts, foreign language, and health.

Whereas, the insufficient textbooks or instructional materials listed above were not provided at each school due to the following reasons:

Therefore, it is resolved, that for the \_\_\_\_\_ school year, the \_\_\_\_\_ district/county office of education has not provided each pupil with sufficient textbooks and instructional materials consistent with the cycles and content of the curriculum framework, and;

Be it further resolved, that the following actions will be taken to ensure that all students have sufficient textbooks or instructional materials in all subjects that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks within two months of the beginning of the school year in which this determination is made.

(List actions to be taken – see *Education Code* Section 60119(a.2.B) for other funds that may be used to ensure sufficient instructional materials)
