ASBESTOS IN THE WORKPLACE

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA). The law requires all schools, kindergarten through twelfth grade, to be inspected by EPA accredited inspectors and to identify all asbestos-containing building materials as defined in AHERA. The law further requires the development of a management plan by an EPA accredited management planner based upon the findings of the inspection.

In the past, asbestos was used extensively in building materials because of its insulating and fire retarding capabilities. Virtually any building built before the late 1970's contain at least some asbestos in pipe insulation, structural fireproofing, floor tile, etc. The primary concern arises when these materials begin to deteriorate or become damaged.

The initial inspection of the sites within our district was conducted a number of years ago and identified some asbestos containing materials. Since that time, we have conducted a number of periodic inspections and accredited re-inspections to ensure that the asbestos-containing materials remain in good condition and do not pose a hazard to our students or staff.

A management plan was drafted after our original inspection and submitted to the state. It outlines in detail the methods we will use to maintain the materials in a safe manner, and will help reduce or eliminate the potential for exposure to asbestos fibers in our schools. The management plan is updated periodically as asbestos is removed or conditions change. Our insurance program, Self-Insured Schools of California (SISC), has staff members who are EPA accredited as building inspectors, management planners, contractor supervisors, project designers and are state certified as asbestos consultants to assist us. We work very closely with them to ensure that all recommendations and procedures are properly followed.

A copy of the complete district management plan is available for your review at the district office. Copies of individual campus inspection report are on file in the district office. The district superintendent or district asbestos coordinator is available by appointment to discuss our management plan with you.

These prohibitions apply before, during and after school hours. A school district workplace is any place where school district work is performed, any school-owned or school-approved vehicle used to transport students to and from school or school activities; any off-school sites when accommodating a school-sponsored or school-approved activity or function where students are under district jurisdiction; or during any period of time when an employee is supervising students on behalf of the district or otherwise engaged in district business.

If any such conviction is reversed and the person acquitted in a new trial or the charges dismissed, his/her employment is no longer prohibited. In order to ensure that highly qualified and experienced teachers are equitably distributed among district schools, including those with higher than average levels of low-income, minority, and/or academically underperforming students, the Superintendent or designee shall:

1. Verify that all teachers of core academic subjects possess the qualifications of highly qualified teachers as required by NCLB or develop immediate and long-term solutions for ensuring that all core academic classes will be taught by highly qualified teachers
2. Not assign teachers with provisional internship permits, short-term staffing permits, or credential waivers to schools that have 40 percent or higher poverty or are ranked in deciles 1-3 on the statewide Academic Performance Index
3. Not place interns in high-poverty, low-performing schools in greater numbers than in schools with low poverty or higher academic achievement
4. Compare teacher retention rates across district schools and develop strategies to recruit and retain experienced and effective teachers in hard-to-staff schools

(cf. 4111 - Recruitment and Selection)

The Superintendent or designee shall annually report to the Board and the California Department of Education (CDE) comparisons of teacher qualifications across district schools. When required by the CDE, the Superintendent or designee shall develop an equitable distribution plan to identify strategies for recruiting, developing, and retaining highly qualified teachers in low-performing schools. As needed, the Board may direct the Superintendent to transfer teachers to high-need

schools in accordance with law and the collective bargaining agreement, and/or may align district resources to improve the skills and qualifications of teachers at those schools.

Evaluations also serve to hold staff accountable for their performance. The Superintendent or designee shall evaluate the performance of certificated staff members in accordance with law, negotiated employee contracts and Board-adopted evaluation standards.

(cf. 4141/4241 - Collective Bargaining Agreement)

Objective standards from the National Board for Professional Teaching Standards and/or the California Standards for the Teaching Profession shall be reviewed and may be incorporated in district evaluation standards with the agreement of the exclusive representative of the certificated staff.

The Superintendent or designee shall ensure that evaluation ratings have uniform meaning throughout the district.

Evaluations shall be used to recognize the exemplary skills and accomplishments of staff and to identify areas needing improvement. When areas needing improvement are identified, the Board expects employees to accept responsibility for improving their performance. The Superintendent or designee shall assist employees in improving their performance and may require participation in appropriate programs. Personnel Reduction

The Board of Trustees may reduce the number of probationary and permanent certificated employees when, in the opinion of the Board, one or more of the following conditions makes such reduction necessary:

1. Average daily attendance (ADA) in all of the schools in the district during the first six months of the school year has declined below the level for the same period in either of the previous two school years. (Education Code 44955)
2. A particular kind of service is to be reduced or discontinued not later than the beginning of the following school year. (Education Code 44955)
3. Attendance in the district will decline in the following year as a result of the termination of an interdistrict tuition agreement. (Education Code 44955)
4. An amendment of state law requires modification of the curriculum. (Education Code 44955)
5. The state Budget Act reveals that the district's total revenue limit per ADA for the fiscal year of that Budget Act has not increased by at least two percent. (Education Code 44955.5)

Seniority

Except as otherwise provided by law, a permanent employee who is certificated and competent to render a service shall not be terminated or given a reduction in hours and wages while a probationary employee, or other employee with less seniority, is retained to render the service. (Education Code 44955)

Prior to determining the seniority of employees, the Superintendent or designee shall require certificated employees to provide verification, in writing, of their employment date and credentials, as well as any documentation supporting an employment or credential(s) different from that shown in the district's records.

The Superintendent or designee shall prepare a master seniority list on the basis of district records and evidence presented. (Education Code 44846)

When two or more employees first rendered paid service on the same date, the Board shall adopt a resolution specifying the criteria based on the needs of the district and students for the order of termination among those employees. Upon the request of any employee whose order of termination is so determined, the Board shall furnish, in writing, no later than five days prior to the commencement of the administrative hearing on the layoff, a statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking the employee relative to the other employees in the group. (Education Code 44955)

(cf. 4113 - Assignment)

(cf. 4115 - Evaluation/Supervision)

(cf. 4117.4 - Dismissal)

The district may deviate from terminating certificated employees in order of seniority for either of the following reasons: (Education Code 44955, 44956)

1. To fill a demonstrated specific need for personnel to teach a specific course or courses of study, or to provide services authorized by a services credential with a specialization in either student personnel services or health for a school nurse, when the certificated employee has the necessary special training and experience which others with more seniority do not possess
2. To maintain or achieve compliance with constitutional requirements related to equal protection of the law

Notice and Hearing Rights

When it becomes necessary, as the result of a reduction or discontinuation of services, to reduce the number of permanent and/or probationary employees, the district shall give notice to the affected employees stating the reasons for the action and the employees' right to a hearing, no later than March 15. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 44949 and 44955.

When an employee has requested a hearing before an administrative law judge regarding the reduction or discontinuation of services, the Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations of the administrative law judge shall be binding on the Board. (Education Code 44949)

The Board may conduct its own hearing, adopt the judge's proposed decision, refer the case back to the judge for additional evidence, or reject or modify the proposed decision and make its own determination based upon its review of the record.

Upon adoption of the Board's decision, the Superintendent or designee shall give final notice, in the manner specified, to the affected employees before May 15. (Education Code 44955)

Special Procedure Based Upon Late Adoption of the State Budget

When the Board, during the time period between five days after enactment of the Budget Act and August 15, determines that the total revenue limit per ADA has not increased by at least two percent and that the district therefore needs to reduce the number of certificated staff pursuant to Education Code 44955.5, the Board shall adopt a schedule of notice and hearings and the district shall otherwise proceed pursuant to Education Code 44949 and 44955. Probationary certificated employees under 65 years of age shall have the same right for 24 months after being terminated, subject to the prior reappointment rights of permanent employees. (Education Code 44956, 44957)

Before reappointing any certificated employee to teach a subject which he/she has not previously taught and for which he/she does not have a teaching credential or which is not within the employee's major area of postsecondary study, the Board shall require the employee to pass a subject matter competency test in the appropriate subject. (Education Code 44955, 44956)

(cf. 4112.2 - Certification)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

(cf. 4113 - Assignment)

Reappointed certificated employees shall not be subject to any requirements that were not imposed on employees who continued in service. Their period of absence shall be treated as a leave of absence and not considered a break in the continuity of their service. (Education Code 44956, 44957)
