**BLOCHMAN UNION SCHOOL DISTRICT
Transportation Plan
2025-26**

Transportation Services:

We currently contract with American Star Tours to provide transportation to students. Transportation is available free of charge for all students, including low income students, in grades TK through 8. Students are transported from locations in both Santa Maria and Orcutt. We also have a van that provides home-to-school transportation in the Tapusquet area, which is not accessible by bus.

All of our transportation options are available to students with disabilities, and homeless children and foster youth.

Transportation is available to all students at no cost, including unduplicated pupils.

Consultations:

The plan was developed in consultation with classified staff, teachers, school administrators, regional local transit authorities, parents, pupils and other required stakeholders. On January 24, 2023, the plan was discussed at the School Site Council meeting. On February 7, 2023, the plan was discussed with the school staff and other stakeholders. In August of 2022, the plan was discussed with regional local transit authorities. While the Santa Barbara County Air Pollution Control District would like for us to operate zero emission school busses, we contract our services to an outside source and we do not have control over the type of busses they use. However, we only operate two busses so the emissions generated by the district are negligible.

Exhibit 4119.21-E(1): Professional Standards

Original Adopted Date: Pending

CODE OF ETHICS FOR EDUCATORS

Preamble

The National Education Association (NEA) believes that the education profession consists of one education workforce serving the needs of all students and that the term 'educator' includes education support professionals.

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nurturing of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parents/guardians, and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics for Educators indicates the aspiration of all educators and provides standards by which to judge conduct.

The remedies specified by the NEA and/or its affiliates for the violation of any provision of this Code shall be exclusive and no such provision shall be enforceable in any form other than the one specifically designated by the NEA or its affiliates.

The following exhibit reproduces the Code of Ethics for Educators adopted by the National Education Association in 1975. The Code was revised in 2020 to use the broader term "educator." This code is used by the California Teachers Association and is distributed to teachers in the CTA Handbook.

The educator strives to help each student realize the student's potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning
2. Shall not unreasonably deny the student access to varying points of view
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety
5. Shall not intentionally expose the student to embarrassment or disparagement
6. Shall not on the basis of race, color, creed, gender, national origin, marital status, political or religious beliefs, family, social, or cultural background, or sexual orientation, unfairly:
 - a. Exclude any student from participation in any program
 - b. Deny benefits to any student
 - c. Grant any advantage to any student
7. Shall not use professional relationships with students for private advantage
8. Shall not disclose information in the course of professional service unless disclosure serves a compelling professional purpose or is required by law

Principle II. Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards, to promote a climate that encourages the exercise of professional judgment, to achieve conditions that attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation of the profession, the educator:

1. Shall not in any application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications
2. Shall not misrepresent the educator's professional qualifications
3. Shall not assist any entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute
4. Shall not knowingly make a false statement concerning the qualifications of a candidate for a professional position
5. Shall not assist a noneducator in the unauthorized practice of teaching
6. Shall not disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law
7. Shall not knowingly make false or malicious statements about a colleague
8. Shall not accept any gratuity, gift, or favor that might impair or appear to influence professional decisions or action

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code 48900 and listed as Items #1-19 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code 48910)

As soon as possible after the teacher has suspended the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if requested by the parent/guardian or teacher. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code 48910)

Additionally, a teacher may refer a student, for any of the acts specified above in Education Code 48900, to the principal or designee for consideration of a suspension from school. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal, or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity away from school to have committed any of the acts listed in the accompanying Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of Items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension upon a student, including supervised suspension, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school or class, or continuation school or class for the purpose of adjustment, the student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal

At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against the student, and shall be given the opportunity to present the student's version and evidence in the student's defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, the student, the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, shall be notified of the student's right to a conference and the right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school for the conference. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee

A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker, and, if applicable, the county social worker, in person, by email, or by telephone

Whenever a student is suspended, the parent/guardian, or, if applicable, the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, the

county social worker, shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

Additionally, the notice shall state the date and time when the student may return to school.

4. Parent/Guardian Conference: Whenever a student is suspended, school officials may conduct a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter (Education Code 48914)

If school officials request to meet with the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, the notice may state that the law requires such individuals to respond to the request without delay. However, the student shall not be penalized for the failure of the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, to attend such a conference. The student may not be denied reinstatement solely because such individuals failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

- a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard

This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

- b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process
- c. If the student involved is a foster youth or Indian child, the Superintendent or designee shall notify the district's educational liaison of the need to invite the foster youth's educational rights holder, attorney and county social worker, or the Indian child's tribal social worker or, if applicable, the county social worker, to attend the meeting (Education Code 48853.5, 48911, 48918.1)
- d. If the student involved is a child or youth experiencing homelessness, the Superintendent or designee shall notify the district liaison for homeless students (Education Code 48918.1)
- e. In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," and "Additional Grounds for Suspension and Expulsion: Grades 4-12," above and within the limits specified under "Suspension by Superintendent, Principal, or Designee," above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

The Board shall provide the student and parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public

meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law
2. The student shall have access to appropriate counseling services
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension
4. The student shall be responsible for contacting the student's teacher(s) to receive assignments to be completed in the supervised suspension classroom and the teacher(s) shall provide all assignments and tests that the student will miss while suspended

If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or, if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, in person, by email, or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11059, except for:
 - a. The first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis
 - b. The student's possession of over-the-counter medication for use by the student for medical purposes
 - c. Medication prescribed for the student by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code

48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an offense for which the student may be expelled, the Superintendent, principal, or designee shall offer the student, the student's parent/guardian, or, when applicable, other person holding the right to make educational decisions for the student, the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after written notice of the expulsion hearing pursuant to Education Code 48918 has been given.

The stipulation agreement shall be in writing and shall be signed by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student, shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code 48918.5)

1. Receive five days' notice of the scheduled testimony at the hearing
2. Have up to two adult support persons present at the hearing at the time the witness testifies
3. Have a closed hearing during the time the witness testifies

4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth, Students Experiencing Homelessness, and Indian Children

If the student facing expulsion is a foster student or Indian child, the Superintendent or designee shall also send notice of the hearing to the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker, at least 10 calendar days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a student experiencing homelessness, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 calendar days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting

If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made (Education Code 48918(g))
3. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in Item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs

The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12," and "Additional Grounds for Suspension and Expulsion: Grades 4-12," above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during the testimony
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential
 - d. The person presiding over the hearing may remove a support person who is disrupting the hearing

- e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5
- f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard

Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

- g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment
 - i. The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony
 - ii. At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room
 - iii. The person conducting the hearing may:
 - a. Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - b. Limit the time for taking the testimony of a complaining witness to normal school hours, if there is no good cause to take the testimony during other hours
 - c. Permit one of the support persons to accompany the complaining witness to the witness stand

- 6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from school, unless the student requests in writing that the decision be postponed (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Additionally, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by the student's parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which shall include, but not be limited to, periodic review and a preliminary assessment for readmission at least 45 days before the end of the expulsion term. The plan shall be tailored to the student's needs and address the behavior that led to the expulsion. The plan may be developed in consultation with district staff who have knowledge or special expertise regarding the student and include recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs. (Education Code 48916)

The Board shall assist the student in locating accessible opportunities that are necessary to complete the requirements of the student's plan for rehabilitation, including, but not limited to, opportunities for counseling and community service. (Education Code 48916)

The Board shall not require the student or the student's parents/guardians to pay for any costs or services the Board determines to be necessary for the student to complete the student's plan of rehabilitation. (Education Code 48916)

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student, or if the student is under 18 years of age, to the student's parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" (Education Code 48900.8)

2. A description of readmission procedures (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation

This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)

2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above, or violates any of the district's rules and regulations governing student conduct (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school

Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)

6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian

The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))

7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board (Education Code 48917)

Appeal

If a student is expelled from school, the student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in Items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and Items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

The Board shall receive notification from the County Superintendent of Schools, if at any time during the expulsion term and for any reason the County Superintendent is unable to serve the students expelled by the district. Upon notification, the Board shall ensure that another educational program is provided to the student for the duration of the expulsion order which may include entering into an agreement with a County Superintendent in another county to provide education services for the district's expelled students. (Education Code 48916.1)

Upon the change of a student's eligibility for an educational program or at the request of the student's parent/guardian, the Board shall review with the student and the student's parent/guardian the educational options for expelled students as outlined in the plan to provide education services to expelled students pursuant to Education Code 48926. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the student's parent/guardian, or other person holding the right to make educational decisions for the student, and the student

At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and the student's parent/guardian or other person holding the right to make educational decisions for the student shall be asked to indicate in writing their willingness to comply with these regulations.

As part of the review process, the Board shall, upon being informed by the Superintendent or designee, indicate whether the student had access to the necessary resources to complete the student's rehabilitation plan. A rehabilitation plan that is not completed due to financial or transportation barriers or a lack of viable opportunities to complete a term of the rehabilitation plan shall not be a basis to deny the readmission of a student. (Education Code 48916)

2. The Superintendent or designee shall transmit to the Board a recommendation regarding readmission

The Board shall consider this recommendation in closed session. If a written request for open session is received from the student's parent/guardian or other person holding the right to make educational decisions for the student, or adult student, it shall be honored to the extent that privacy rights of other students are not violated.

3. If the readmission is granted, the Superintendent or designee shall notify the student and the student's parent/guardian, or other person holding the right to make educational decisions for the student, by registered mail, of the Board's decision regarding readmission

4. The Board may deny readmission only if it finds that the student either: (Education Code 48916)

- a. Has not substantially satisfied the conditions of the rehabilitation plan despite having access to the necessary resources and viable opportunities to complete their rehabilitation plan
- b. That the student continues to exhibit documented behaviors that the student was expelled for or is documented to have committed one or more new acts during the expulsion term that would make the student eligible for another expulsion

5. If Board denies the readmission of a student pursuant to Item #4, the expulsion term may be extended for one semester at a time, at which point the student shall be reassessed for readmission pursuant to Item #1

6. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school

7. The Board shall provide written notice to the expelled student and the student's parent/guardian, or other person holding the right to make educational decisions for the student, describing the reasons for denying readmittance into the regular program

This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district.

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

Policy 5145.2: Freedom Of Speech/Expression

Original Adopted Date: 11/14/2017

The Governing Board believes that free inquiry and exchange of ideas are essential parts of a democratic education. The Board respects students' rights to express ideas and opinions, take stands on issues, and support causes, even when such speech is controversial or unpopular. Additionally, the Board is committed to providing a welcoming, safe, and supportive school environment that protects students from discrimination, harassment, intimidation, and bullying, or other types of expression prohibited by law.

Students shall have the right to exercise freedom of speech and of the press including, but not limited to, the use of bulletin boards; the use of official district or school websites or social media accounts identified and made available for such purposes; the distribution of printed materials or petitions; the wearing of buttons, badges, and other insignia; and the right of expression in official school publications. (Education Code 48907)

Students' freedom of expression shall be restricted only as established by this Board policy, the accompanying administration regulation, Education Code 234.1, 48907, and 48950, and other applicable state and federal laws. Such restrictions include, but are not limited to, prohibitions against students making any expressions or distributing or posting any materials that:

1. Are obscene, libelous, or slanderous
2. Are discriminatory, harassing, intimidating, or bullying
3. Are likely to immediately incite action on district property or during district-sponsored programs or activities that is unlawful or that violates Board policies, administrative regulations, or other district or school rules
4. Substantially disrupt the orderly operation of the district

Additionally, the use of "fighting words" or epithets is prohibited where they are abusive and insulting, rather than merely offensive or provocative, and they are likely to create an actual danger that will cause a breach of the peace.

District staff shall not prohibit or prevent the distribution of, or otherwise censor, material prepared for official school publications except insofar as the content of the material violates this Board policy and the accompanying administrative regulation. (Education Code 48907)

Off-campus student expression, such as electronic expression via a personal device or online expression via a personal social media account, may subject a student to discipline when such expression poses a threat to the safety of other district students, staff, or property, or does or is likely to substantially disrupt the district's educational program. As necessary, the Superintendent or designee shall document the actual or expected impact of the expression.

Student expression that violates this Board policy or the accompanying administrative regulation may be subject to discipline in accordance with Board Policy/Administrative Regulation 5144 - Discipline, Board Policy/Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities).

Regulation 5145.2: Freedom Of Speech/Expression

Status: DRAFT

Original Adopted Date: 11/14/2017

Time, Place, and Manner Restrictions for Student Expression

Each principal or designee may annually identify physical or electronic locations, such as school courtyards, bulletin boards, or social media accounts, on which students and student organizations may hold a public rally, express and debate issues, or post information of general interest. Additionally, students may distribute handbills, leaflets, and other printed or electronic material, whether produced within or outside of the school. In addition, students may collect signatures on petitions concerning school or nonschool issues. All such expression in a given year shall be limited to the locations identified by the principal or designee for that year.

Materials or petitions may be distributed only:

1. Before or after school or during lunch time

Official School Publications

(Education Code 48907)

Each principal may develop a school publications code outlining the responsibility of the students who produce or support the production of content for official student publications and the staff who serve as advisors of official student publications.

All official student publications shall be held to professional standards of language and journalism. (Education Code 48907)

If a staff advisor to an official student publication or other school staff with similar responsibility determines that material intended for inclusion in an official student publication violates the accompanying Board policy or this regulation, the staff advisor or other school staff shall first consider any feasible alternative options to limiting the material. If no other option is feasible, the staff advisor or other school staff shall notify the official student publication, via the student editor-in-chief or similar position, and the student authors of the material without undue delay and shall provide specific reasons for why the submitted material may not be published. Absent extraordinary circumstances, such notice shall be given in sufficient time to allow the official student publication or the student authors to either modify the material or request review by the Superintendent or designee.

At the principal's discretion, all official student publications may be required to include a disclaimer indicating that views, ideas, and opinions expressed in official student publications do not necessarily reflect those of the school or

district.

Student Participation in Civic or Political Events

Upon providing advanced notice and in accordance with Board Policy/Administrative Regulation 5113 - Absences and Excuses, a student in middle or high school shall be permitted one excused absence per school year in order to participate in a civic or political event such as voting, poll working, strikes, public commenting, or attending candidate speeches, political or civic forums, or town halls. Moderate physical activity is any activity which generally requires sustained, rhythmic movements and refers to a level of effort a healthy individual might expend while, for example, walking briskly, dancing, swimming, or bicycling on level terrain. A person should feel some exertion but should be able to carry on a conversation comfortably during the activity.

Physical activity is bodily movement that is produced by the contraction of skeletal muscle and that substantially increases energy expenditure, including exercise, sport, dance, and other movement forms.

Physical education is a sequential educational program that teaches students to understand and participate in regular physical activity that assists in developing and maintaining physical fitness throughout their lifetime, understand and improve their motor skills, enjoy using their skills and knowledge to establish a healthy lifestyle, and understand how their bodies work.

Vigorous physical activity is any activity which generally requires sustained, rhythmic movements and refers to a level of effort a healthy individual might expend while, for example, jogging, participating in high-impact aerobic dancing, swimming continuous laps, or bicycling uphill. Vigorous physical activity may be intense enough to result in a significant increase in heart and respiration rate.

Instructional Time

Instruction in physical education shall be provided for at least the following minimum period of time: (Education Code 51210, 51222, 51223)

4. The physical education program complies with the course of study requirements of high school physical education programs, as applicable

5. Students are prepared for, and participate in, the physical performance testing as specified in Education Code 60800

If the instructional minute requirement cannot be met during any 10-day period due to inclement weather, a school assembly, field trip, student assessment, or other circumstance, the school shall make up those minutes on another day in order to satisfy the instructional minute requirement.

The Superintendent or designee shall determine a method to document compliance with the required number of instructional minutes. Such documentation may include, but not be limited to, a master schedule, bell schedule, weekly schedule for each teacher providing physical education instruction, district calendar, teacher roster, or log for staff or students to record the number of physical education minutes completed.

Any complaint alleging noncompliance with the instructional minute requirement may be filed in accordance with the district's procedures in Administrative Regulation 1312.3 - Uniform Complaint Procedures. Policy 6173: Education For Homeless Children

Status: DRAFT

Original Adopted Date: 11/14/2017 | Last Revised Date: 04/11/2023

The Governing Board believes that the identification of students experiencing homelessness is critical to improving the educational outcomes of such students and ensuring that students experiencing homelessness have access to the same free and appropriate public education provided to other students within the district. The district shall provide students experiencing homelessness with access to education and other services necessary for such students to meet the same challenging academic standards as other students.

When there are at least 15 students experiencing homelessness in the district or a district school, the district's local control and accountability plan (LCAP) shall include goals and specific actions to improve student achievement and other outcomes of students experiencing homelessness. (Education Code 52052, 52060, 52064)

The Superintendent or designee shall review district policies at least once every three years and recommend updates to ensure removal of any barriers to the education of students experiencing homelessness and unaccompanied youth. Any such review shall address identification, enrollment, and retention of such students, including those barriers that are due to absences or outstanding fees or fines. (Education Code 48851.3, 42 USC 11432)

The Superintendent or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison for homeless students shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting students experiencing homelessness to succeed in school, and as specified in Education Code 48851.3 related to trainings for district staff providing assistance to students experiencing homelessness.

The Superintendent or designee shall ensure that each district school identifies all students experiencing homelessness and unaccompanied youths enrolled at the school. (Education Code 48851)

To ensure easy identification of students experiencing homelessness, the Superintendent or designee shall annually provide and administer a housing questionnaire developed by the California Department of Education (CDE) to all parents/guardians of students and all unaccompanied youths. (Education Code 48851)

If the primary language of a student's parent/guardian or an unaccompanied youth is not English, either the housing questionnaire shall be made available in the primary language of the student's parent/guardian or the unaccompanied youth pursuant to Education Code 48985, or an appropriate translation of the housing questionnaire shall be provided upon request of a student's parent/guardian or an unaccompanied youth. (Education Code 48851)

The Superintendent or designee shall report to CDE the number of students experiencing homelessness, including unaccompanied youths, enrolled in the district as identified from the housing questionnaire described above. (Education Code 48851)

Additionally, the Superintendent or designee shall ensure that the district liaison's contact information and other information on homelessness, including, but not limited to, information regarding the educational rights and resources available to persons experiencing homelessness, are posted on the district and school websites as specified in the accompanying administrative regulation. (Education Code 48852.6)

The Superintendent or designee shall ensure that placement decisions for students experiencing homelessness are based on the student's best interest as defined in law and administrative regulation.

Each student experiencing homelessness shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. (Education Code 48850; 42 USC 11432)

Students experiencing homelessness shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. However, the Superintendent or designee may separate students experiencing homelessness on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet their unique needs. (42 USC 11432, 11433)

The Superintendent or designee shall ensure that information and/or materials for students experiencing homelessness are provided in a manner and form understandable to the student's parents/guardians and to unaccompanied youths.

Information about the living situation of a student experiencing homelessness shall be considered part of a student's educational record, subject to the Family Educational Rights and Privacy Act, shall not be deemed to be directory information as defined in 20 USC 1232g, and shall not be released without written consent. (42 USC 11432)

The Superintendent or designee shall coordinate with other agencies and entities to ensure that students experiencing homelessness are promptly identified, ensure that students experiencing homelessness have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. Toward these ends, the Superintendent or designee shall collaborate with local social services agencies, other agencies or entities providing services to students experiencing homelessness, and, if applicable, transitional housing facilities. Additionally, the Superintendent or designee shall coordinate transportation, transfer of school records, and other interdistrict activities with other local educational agencies. As necessary, the Superintendent or designee shall coordinate, within the district and with other involved local educational agencies, services for students experiencing homelessness and services for students with disabilities. (42 USC 11432)

At least annually, the district liaison and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of students experiencing homelessness. Such professional development and technical assistance shall include, but are not limited to, training on the district's homeless education program policies, definitions of terms related to homelessness, recognition of signs that students are experiencing or are at risk of experiencing homelessness, the steps that should be taken once a potentially homeless student is identified, and how to connect students experiencing homelessness with appropriate housing and service providers. (Education Code 48851.3, 48852.5; 42 USC 11432)

At least annually, the Superintendent or designee shall report to the Board on the identification of and outcomes for students experiencing homelessness, which may include, but are not limited to, the housing questionnaire responses, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, suspension/expulsion rates, and other outcomes related to any goals and specific actions identified in the LCAP. Based on the evaluation data, the district shall revise its strategies as needed to more effectively identify and support the education of students experiencing homelessness.

Enrollment

The district shall make placement decisions for students experiencing homelessness based on the student's best

interest. (Education Code 48850; 42 USC 11432)

In determining a student's best interest, a student experiencing homelessness shall, to the extent feasible, be placed in the school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

When determining the best interest of any student experiencing homelessness, the district shall give priority to the request of the student's parent/guardian, or in the case of an unaccompanied youth, the request of the student. Additionally, the student's educational stability and opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress and other student-centered factors related to the student's best interest, including the impact of mobility on the student's achievement, education, health, and safety, shall be considered. (Education Code 48850; 42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a student experiencing homelessness lives with the student's homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the district liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of the right to appeal. (42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if the student: (Education Code 48850, 48852.7; 42 USC 11432)

4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall immediately refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if the student is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than the school of origin or the school requested by the student's parent/guardian or the student, if an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the reasons for the decision, including why placement in the student's school of origin or requested school is not in the student's best interest, along with a statement regarding the right to appeal the placement decision. The written explanation shall be in a manner and form understandable to such parent/guardian or unaccompanied youth. (42 USC 11432)

At the point of any change or subsequent change in the residence of a student experiencing homelessness, the student may continue attending the student's school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the student experiencing homelessness has the benefit of matriculating with the student's peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, the student shall be allowed to continue in the same

attendance area

2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, the student shall be allowed to continue to the school designated for matriculation in that district

If the student's housing status changes before the end of the school year so that the student is no longer experiencing homelessness, the student shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if the student is in grades K-8
2. Through graduation if the student is in high school

When the district offers an intersession program, priority access shall be given to students experiencing homelessness. If a student experiencing homelessness will be moving during an intersession period, the student's parent/guardian, educational rights holder, or Indian custodian in the case of an Indian child, or, if there is no parent/guardian, educational rights holder, or Indian custodian, the unaccompanied homeless youth, shall determine which school the student attends for the intersession period. (Education Code 48850)

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected
4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of those roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform the student's parents/guardians or unaccompanied youth that written and/or oral documentation to support their position may be provided

2. Inform the student's parents/guardians or unaccompanied youth that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide a copy of the dispute form they submit for their records
5. Provide the outcome of the dispute for their records

When a student's parent/guardian or an unaccompanied youth involved in the enrollment dispute is an English learner, Items #1-5 shall be provided either in the native language of the parent/guardian or unaccompanied youth or through an interpreter. Any additional support needed because of a disability of that parent/guardian or unaccompanied youth shall be made available without a charge.

If a parent/guardian or unaccompanied youth disagrees with the district liaison's enrollment decision, the decision may be appealed to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the liaison for homeless students at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a student experiencing homelessness to and from the student's school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend the student's school of origin within this district, the Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

Any fees that the district charges for home-to-school transportation and other transportation as expressly provided by law shall be waived for students experiencing homelessness. (Education Code 39807.5)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they secure permanent housing, unless the formerly homeless student has an IEP that includes transportation as a necessary related service for the student. (Education Code 48852.7)

Original Adopted Date: 11/14/2017 | **Last Revised Date:** 04/11/2023

The Governing Board recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs that may be addressed with the provision of a safe, positive learning environment that is free from discrimination and harassment and that promotes students' self-esteem and academic achievement.

The Superintendent or designee shall provide foster youth with full access to the district's educational program and implement strategies necessary for the improvement of the academic achievement of foster youth. Additionally, as identified in the district's local control and accountability plan (LCAP), the Superintendent or designee shall develop strategies to build a foster youth's feeling of connectedness with school, including, but not limited to, strategies that promote positive discipline and conflict resolution, the development of resiliency and interpersonal skills, and the involvement of foster parents, group home administrators, and/or other caretakers in school programs and activities.

The Superintendent or designee shall ensure that placement decisions for foster youth are based on the students' best interests as defined in law and as specified in the accompanying administrative regulation. The Superintendent or designee shall designate a staff person as the district liaison for foster youth to help facilitate the enrollment, placement, and transfer of foster youth.

The Superintendent or designee and district liaison shall ensure that all appropriate staff, including, but not limited to, each principal, school registrar, and attendance clerk, receive training on the enrollment, placement, and transfer of foster youth and other related rights.

To address the needs of foster youth and help ensure the maximum utilization of available funds, the Superintendent or designee shall collaborate with local agencies and officials including, but not limited to, the county placing agency, social services, probation officers, and juvenile court officers. The Superintendent or designee shall explore the feasibility of entering into agreements with these groups to coordinate services and protect the rights of foster youth.

At least annually and in accordance with the established timelines, the Superintendent or designee shall report to the Board on the outcomes for foster youth regarding the goals and specific actions identified in the LCAP, including, but not limited to, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, and suspension/expulsion rates. When the district offers an intersession program, priority access shall be given to students who are foster youth. (Education Code 48853.5)

Transportation

The Superintendent or designee shall collaborate with the local child welfare agency to determine how transportation will be provided, arranged, and funded in a cost-effective manner to enable a foster youth to remain in the school of origin, for the duration of the time spent in foster care, when it is in the foster youth's best interest to do so. Such transportation costs may be paid by either the child welfare agency or the district, or shared by both. (20 USC 6312)

2. The remote Board member utilizes both audio and visual technology to participate in the meeting, except no visual technology shall be required if a physical condition related to their disability results in a need to participate off camera
3. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the following conditions are not required: (Government Code 54953)

1. Including the location of the remote Board member in the agenda
2. Making the location of the remote Board member open and accessible to the public
3. Posting the agenda at the location of the remote Board member

These requirements and conditions may be modified as required by law or the district may offer another reasonable accommodation as appropriate.

Remote Attendance Due to Just Cause

Beginning July 1, 2026, a remote Board member may attend and participate in a Board meeting based on any of the following "just cause" reasons: (Government Code 54953.8.3)

1. A childcare or caregiving need of a Board member's child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires the Board member to attend and participate remotely
2. A contagious illness that prevents a Board member from attending in person
3. A need related to a Board member's physical or mental condition not otherwise reasonably accommodated
4. A Board member is traveling while on official business of the Board or another state or local agency
5. An immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner of a Board member requires the Board member to attend and participate remotely
6. A physical or family medical emergency prevents a Board member from attending in person
7. Military service obligations that result in a Board member being unable to attend in person because the Board member is serving under official written orders for active duty, drill, annual training, or any other duty required as a member of the California National Guard or a United States Military Reserve organization that requires the Board member to be at least 50 miles outside the boundaries of the district

The remote Board member shall notify the Board at the earliest possible opportunity, including at the start of a Board meeting, of the need to attend and participate remotely for just cause, including the general circumstances of the Board member's need to attend and participate remotely. The remote Board member need not disclose any medical diagnosis or disability, or any personal medical information that is otherwise exempt under existing law. The minutes for the Board meeting shall identify the specific provision that is the basis for the just cause. (Government Code 54953, 54953.8.3)

Additionally, when a remote Board member attends and participates in a Board meeting based on just cause, all of the following conditions shall be met: (Government Code 54953, 54953.8, 54953.8.3)

1. All votes taken during the meeting are by rollcall

3. The public is able to access the meeting via a two-way audiovisual platform or a two-way audio service and a live webcast, with real-time public comment being allowed via the platform or service, in addition to public comment being available in person

The platform or service may require members of the public to register in order to make public comments as long as the platform or service is not controlled by the district.

4. The agenda for the meeting includes information describing how members of the public can access the platform or service and how members of the public can offer public comment
5. The minutes of the Board meeting state that the remote Board member attended and participated remotely
6. At least a quorum of the Board participates in person from a singular physical location clearly identified on the agenda and which is within district boundaries and is open to the public
7. The remote Board member utilizes both audio and visual technology to participate in the meeting
8. The remote Board member publicly discloses, before any action is taken, whether any individual 18 years of age or older is present at the Board member's location and the general nature of the member's relationship with each such individual

In this circumstance, the agenda need not include the location of the remote Board member or be posted at that location, and the location of the remote Board member need not be open and accessible to the public. (Government Code 54953, 54953.8)

The Board shall give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. (Government Code 54953.8)

If the platform or service is disrupted such that the public cannot access the meeting or give real-time public comment, the Board meeting may continue but the Board may not take action on any agenda item until public access to the meeting is restored. (Government Code 54953.8)

A remote Board member may attend and participate in no more than two Board meetings per year for just cause. (Government Code 54953.8.3)

A remote Board member's attendance and participation in multiple Board meetings that begin on the same calendar day shall only count as one Board meeting for purposes of this limit.

The Board may conduct a remote Board meeting during a proclaimed state of emergency or local emergency in either of the following circumstances: (Government Code 54953.8.2)

1. For the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees due to the emergency
2. When the Board, pursuant to Item #1 above, has determined that meeting in person would present imminent risks to the health or safety of attendees due to the emergency

In either such circumstance, the Board may hold a remote Board meeting without: (Government Code 54953.8, 54953.8.2)

1. Including the location of Board members in the agenda

2. Making the locations of Board members open and accessible to the public
3. Posting the agenda at the locations of Board members
4. Having at least a quorum of the Board members within the district boundaries

3. The agenda for the meeting includes information describing how members of the public can access the platform or service

The Board may continue to conduct all Board meetings remotely throughout one or more 45-day periods as long as, prior to the beginning of each 45-day period, the Board has reconsidered the circumstances of the proclaimed state of emergency or local emergency and determined that it continues to directly impact the ability of the Board to meet safely in person. (Government Code 54953.8.2)

Bylaw 9322: Agenda/Meeting Materials

Original Adopted Date: 11/14/2017 | **Last Revised Date:** 08/08/2023

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location(s) and shall briefly describe each item listed in the agenda, including items to be discussed in closed session in accordance with Board Bylaw 9321 - Closed Session. (Government Code 54954.2)

For a regular meeting, the Board may consider an item not included in the posted agenda in accordance with Board Bylaw 9323.2 - Actions by the Board.

Public Comment

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item, including items to be considered in closed session in accordance with Board Bylaw 9321 - Closed Session and items listed on the consent agenda. (Education Code 35145.5; Government Code 54954.3)

As part of every open session item, there shall be an opportunity for members of the public to address the Board on that item. The time set aside for public comment on each item shall last no longer than 10 minutes unless extended in accordance with Board Bylaw 9323 - Meeting Conduct. No member of the public may be permitted to speak more than once on each item.

The agenda need not provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that all of the following conditions were met: (Government Code 54954.3)

1. Members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item
2. The item has not been substantially changed since the committee considered it
3. A quorum of the committee attended and participated in the committee meeting at which the item was considered from a singular physical location that was clearly identified on the agenda, open to the public, and situated within the boundaries of the district
4. Any other applicable provisions of Government Code 54954.3

Additionally, the agenda for a regular meeting shall provide members of the public with an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

The notice and agenda shall include information describing how members of the public can access the platform or service and how members of the public can offer public comment if required pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance.

Disability-Related Accommodations or Modifications

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the meeting, as well as the procedure for receiving and resolving such requests as required by law. (Government Code 54953.8, 54954.2)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Each agenda shall include a statement regarding the option for students and parents/guardians to request that directory information or personal information of the student or parent/guardian, as defined in Education Code 49061 and/or 49073.2, be excluded from the minutes. Additionally, the agenda shall state that the request must be made in writing to the secretary or clerk of the Board. (Education Code 49073.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each meeting, including whether an item requires Board action and whether an item shall be considered in open or closed session.

Any member of the public, or an individual Board member acting in that Board member's capacity as a member of the public, may request that a matter within the subject matter jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information. (Education Code 35145.5)

The Board president and Superintendent shall decide whether such a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board shall not be placed on the agenda. Additionally, if the Board president and Superintendent determine that the request is merely a request for information, then the request shall not be placed on the agenda.

A Board member may request in writing, at a meeting as part of a related open session item, or at a meeting as part of an open session item intended for this purpose that a specific matter within the subject matter jurisdiction of the Board be placed on an upcoming Board agenda. Within thirty (30) days of receiving the request, the Board member shall be informed by the Board president if the request has been approved or denied by the Board president and Superintendent.

If the request is approved, the Board president and Superintendent shall inform the Board member of the general timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, and whether the item requires action by the Board. If the request is denied, the Board president and Superintendent fail to provide a response to the request, or the requesting Board member disagrees with the timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, or whether the item requires action by the Board, then the Board member may appeal the response to the request to the Board. The Board president and Superintendent shall place the appeal on the next upcoming regular meeting agenda for Board action, but only as to whether, when, and how to agendize the requested matter. If a majority of the Board agrees with the appeal, the item will be considered in accordance with the decision of the majority of the Board.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda, except as required by law. Consent items shall be items of a routine nature for which Board discussion is not anticipated and for which the Superintendent recommends approval.

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and all related materials such as the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available supporting documents pertinent to the meeting. Additionally, the Superintendent or designee may distribute to the Board additional materials related to agenda items less than 72 hours before each regular meeting, as permitted by law.

When a special meeting is called, Board members shall receive the agenda and all related materials at least 24 hours prior to the meeting. (Government Code 54956)

Board members shall review the agenda and all related materials before each regular or special meeting. Individual Board members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. However, a majority of Board members shall not, outside of a noticed meeting, directly or through intermediaries or electronic means, discuss, deliberate, or take action on any matter within the subject matter jurisdiction of the Board.

Regular Meeting Agenda Dissemination to Members of the Public

The agenda and all related materials distributed to the Board related to a regular meeting shall be made available to the public upon request without delay. However, only those documents which are disclosable public records under the California Public Records Act (CPRA) and which relate to an agenda item scheduled for the open session portion of a regular meeting or which contain a claim or written threat of litigation which will be discussed in closed session shall be made available to the public. (Government Code 54956.9, 54957.5)

At least 72 hours prior to a regular meeting, the agenda shall be posted at one or more locations freely accessible to members of the public. (Government Code 54954.2)

Additionally, the Superintendent or designee shall post the agenda on the homepage of the district website. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the website with the district's agendas, and the current agenda shall be the first available. (Government Code 54954.2)

If a writing which relates to an open session agenda item or which contains a claim or written threat of litigation which will be discussed in closed session during a regular meeting is distributed to the Board less than 72 hours prior to the meeting, the Superintendent or designee shall make the writing available for public inspection at a designated location at the same time the document is distributed to all or a majority of the Board. However, if the writing is distributed to at least a majority of the Board at a time when the designated location is closed to the public, this requirement may be satisfied by posting the writing on the district website if the following conditions are met: (Government Code 54957.5)

1. An initial staff report or similar document containing an executive summary and any staff recommendations related to the agenda item is made available for public inspection at the designated location at least 72 hours before the meeting
2. The writing is immediately posted on the district's website in a position and manner that makes it clear that the writing relates to an agenda item for the upcoming meeting
3. The district lists the website address where such writings may be accessed on all Board meeting agendas
4. A physical copy of the document is made available for public inspection at the designated location at the beginning of the next regular business hours, but not less than 24 hours before the meeting

The Superintendent or designee shall mail a copy of the agenda or a copy of all the documents constituting the agenda packet to any person who requests the items. The materials shall be mailed at the time the agenda is posted or upon distribution of the agenda to a majority of the Board, whichever occurs first. (Government Code 54954.1)

The Superintendent or designee shall email a copy of, or a website link to, the agenda or a copy of all the documents constituting the agenda packet to any person who requests such items to be delivered by email. If the Superintendent or designee determines that it is technologically infeasible to do so, a copy of the agenda or a website link to the agenda and a copy of all other documents constituting the agenda packet shall be sent to the person who has made the request in accordance with mailing requirements specified in law. (Government Code 54954.1)

Any request for mailed copies of agendas or agenda packets shall be in writing and shall be valid for the calendar year in which it is filed. Written requests must be renewed following January 1 of each year. (Government Code 54954.1)

Persons requesting mailing of the agenda or agenda packet shall pay an annual fee, as determined by the Superintendent or designee, not to exceed the cost of providing the service.

Any document prepared by the district or Board and distributed during an open meeting shall be made available for public inspection at the meeting. Any document prepared by another person shall be made available for public inspection after the meeting. These requirements shall not apply to a document that is exempt from public disclosure under the CPRA. (Government Code 54957.5)

Upon request, the Superintendent or designee shall make the agenda, agenda packet, and/or any writings distributed at the meeting available in appropriate alternative formats to persons with a disability, as required by the Americans with Disabilities Act. (Government Code 54954.1)

Special Meeting Agenda Dissemination to Members of the Public

The requirements for the dissemination of regular meeting agendas and related materials and writings to members of the public found in "Regular Meeting Agenda Dissemination to Members of the Public" shall be applicable to the dissemination of special meeting agendas and related materials and writings to members of the public except that the 24-hour requirement shall apply rather than the 72-hour requirement.

Bylaw 9323: Meeting Conduct

Original Adopted Date: 11/14/2017 | **Last Revised Date:** 01/12/2023

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

The Board chair, who is either the Board president or the Board member chairing the meeting at the time if the Board president is absent, shall conduct Board meetings in accordance with the Ralph M. Brown Act to enable the Board to efficiently consider issues and carry out the will of the majority.

The Board believes that late night meetings can deter public participation, affect the Board's decision-making ability, and be a burden to staff. Regular Board meetings shall be adjourned by 9:00 p.m. unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and, if necessary, may subsequently be adjourned to a later date.

When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a separate agenda item. The Board chair shall determine where on the agenda the former consent item is placed.

Quorum and Abstentions

Except as required by law, the Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

Except when prohibited by law, the Board expects its members to vote on all issues before them. When a member abstains, the abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

Provided the Board typically consists of seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. Additionally, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board. (Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, members of the public attending a Board meeting shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except if a member of the public desires to observe the meeting or make public comment through the use of a third party website or online platform as required by the third party provider.

To facilitate public comment, the Board may request that members of the public who wish to give public comment provide their names or other identifying information to determine speaking order.

In order to conduct district business in an orderly and efficient manner, public comment shall occur in accordance with Board Bylaw 9322 - Agenda Meeting/Materials and in compliance with the following procedures:

1. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law (Education Code 35145.5; Government Code 54954.2)

2. Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda (Government Code 54954.2)

Additionally, on their own initiative or in response to questions posed by the public, Board members or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2)

In addition, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

3. A member of the public wishing to be heard by the Board shall first be recognized by the Board chair

An individual speaker shall be allowed a maximum of 10 minutes to address the Board. However, the Board chair, or a majority of the Board, may adjust the amount of time allowed for public input and/or the time allotted for each speaker. Any such adjustment shall be done equitably so as to allow a diversity of viewpoints. Additionally, the Board chair may ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

4. An individual speaker may give some or all of the speaker's time to another speaker, provided that no individual speaker is permitted to speak more than the maximum time permitted per individual speaker pursuant to Board Bylaw 9322 - Agenda/Meeting Materials
5. For any public comment period with a time limit when a remote Board member is attending and participating based on just cause pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance, the Board may not close that public comment period or the opportunity to register to provide public comment via the two-way audiovisual platform or two-way audio service until the full time for public comment has elapsed (Government Code 54953.8)

For any other public comment period when a remote Board member is attending and participating based on just cause pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance, the Board shall allow a reasonable amount of time to permit members of the public to provide public comment and to register to do so via the two-way audiovisual platform or two-way audio service. (Government Code 54953.8)

6. The Board chair shall determine whether an individual's public comment is within the scope of the public comment period, subject to the following conditions:
 - a. If the public comment is within the scope of a different public comment period, the Board chair shall so indicate
 - b. Public criticism of the Board, individual Board members, the district, its policies, procedures, programs, services, acts, or omissions shall not be prohibited (Government Code 54954.3)
 - c. Public criticism of district employees shall not be prohibited

However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board chair shall inform the complainant of the appropriate complaint procedure.

Disruptions

The Board chair shall not permit an individual to actually disrupt a Board meeting. Actual disruption by an individual or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the Board chair to terminate the privilege of addressing the Board for that meeting and remove the individual from the meeting. (Government Code 54957.95)

Prior to removal, the individual shall be warned that the individual's behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board chair, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared when a group or groups of persons willfully interrupts so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to such a group disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such group disruptive conduct occurs, the Board may decide to recess the meeting to help restore order, remove the disruptive individual(s), or clear the room. Additionally, the Board may adjourn the meeting to another time and location specified in an order of adjournment. The Board chair may direct the Superintendent or designee to contact local law enforcement as necessary. (Government Code 54955, 54957.9, 54957.95, 54957.96)

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee may designate locations from which members of the public may make such recordings without causing a distraction.

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

- **Charter School Oversight Fees**
 - As a conservative measure, charter school oversight fees are budgeted when received at the end of each fiscal year.
- **Other Local Revenue**
 - Other local revenue consists of interest on funds held by the county treasurer, facility rentals, surplus sales, and donations not tied to specific locally restricted programs or activities. Most donations are not budgeted for until received.

 - Transportation
- **Facilities**
 - We plan to continue with necessary, on-going maintenance to ensure our facilities are adequate and safe for students. We accepted a bid to upgrade our electrical system. This project has been stalled due to scheduling conflicts so it currently has an unknown completion date.

FUND BALANCE

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 54,650.51
- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. 104,260.00
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

Interim Business Manager; fiscal oversight; .70 FTE

B. Salaries and Benefits - All Other Activities

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 2,671,747.29

C. Percentage of Plant Services Costs Attributable to General Administration

(Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 5.95%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. 0.00
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	233,403.20
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	0.00
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (6.98%) times Part III, Line B19); zero if negative	0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (6.98%) times Part III, Line B19) or (the highest rate used to recover costs from any program (0%) times Part III, Line B19); zero if positive	0.00
D. Preliminary carry-forward adjustment (Line C1 or C2)	0.00
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	not applicable
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	not applicable
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	not applicable
LEA request for Option 1, Option 2, or Option 3	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	0.00

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
