Date Adopted by School Site Council: January 28, 2025

Date Revised Plan Adopted by School Site Council: May 27,
2025

Background

The development of a comprehensive school safety plan is mandated by California Education Code 32281. This mandate, which was established by Senate Bill 187, states that each school's Site Council, or a Safety Planning Committee authorized by the Site Council, shall develop a "safety plan" relevant to the needs and resources of the school. For schools built before 1998, the initial plans were to be adopted by September 1, 1998. For schools built after 1998, the plans are to be developed and adopted prior to the school's opening.

According to the education code, the School Site Council may delegate this responsibility to a School Safety Planning Committee. However, the committee must include the following members and must consult with a representative from a law enforcement agency in the writing and development of the plan:

- Principal or designee
- Teacher
- Parent Whose Child Attends the School
- Classified Employee

You are strongly encouraged to consult with staff, parents, students (where appropriate), and the broader community, in the development of the plan.

The plan is to be updated annually and kept on file at both the school site AND the district office, and readily available for inspection by the public.

The plan shall consist of two parts:

Part 1 – The "Comprehensive School Safety Plan" shall include all components required by Education Code 32281-32282 except for the emergency preparedness components. The Comprehensive School Safety Plan shall be on file, and available for inspection by the public, with the Educational Services Division of the district.

Part 2 – The "Emergency Preparedness Plan" shall include disaster procedures (routine and emergency), including earthquakes and other manmade or natural disasters.

Added May 2025 – Instructional Continuity Plan

The Comprehensive School Safety Plan shall include an action plan that clearly identifies policies and procedures that will improve both the safety and climate on campus and shall include an evaluation component.

Section I

State your sites' GOALS for the 2024-2025 school year. Please remember to have at least one ATTENDANCE and one SCHOOL CONNECTEDNESS goal, as this links directly to the LCAP. Our goals outlined in this plan are as follows:

1. Ensure parents have opportunities to participate in school activities and provide input in decisions that affect the school.
2. Increase school attendance rates.
3. Reduce pupil suspension and expulsion rates.

Assessment of current status of school crime, safety and climate (provide site specific data and at least 3 years of trend data) The primary source of data for school crime, safety and climate is provided by annual CALPADS reporting. The three-year trend as shown below indicates that chronic absenteeism, suspensions, and expulsions are low and continue to decrease. This data reinforces that our current efforts in most areas of crime, safety and climate are within the range of expectations for our district.

The three-year trend is as follows:

Year	Chronic Absenteeism Rate	Suspension Rate	Expulsion Rate
2023/2024	6.4%	2.5%	0%
2022/2023	7%	4%	0%
2021/2022	12.16%	0%	0%

Our Chronic Absenteeism rate is declining back toward pre-pandemic rates.

In an effort to reduce pupil suspensions and expulsions we have a school psychologist who meets with students who have social and emotional issues. Our teachers emphasize practicing good character traits in the classroom. School assemblies address bullying issues. Teachers have consistent classroom, cafeteria, and playground rules so that students know what is expected of them.

“State your site goals from your 2023-2024 comprehensive school safety plan (or LCAP) and the status of those goals. Be specific with what the site has accomplished, or not done, regarding each specific goal.

1. Ensure parents have opportunities to participate in school activities and provide input in decisions that affect the school.
Our goal is to provide opportunities for parental involvement with making decisions that affect the school. We provide multiple opportunities for parental involvement throughout the year. We have a strong group of parents who participate in the majority of the events. Other parents are not able to participate due to barriers that are out of the school's control. Parental involvement is evidenced by parent participation in School Site Council and LCAP meetings, attendance at school events, and attendance at parent-teacher conferences.
2. Increase school attendance rates.
The majority of the actions/services were already in place and we simply continued them from the prior year. In 2017/2018 we added a monthly lottery to win lunch field trips with the Principal for students with perfect attendance during the month and a lunch with the Principal for all students with perfect attendance during the trimester.
3. Reduce pupil suspension and expulsion rates.
While our school suspension and expulsion rates are low, as shown in the chart above, there is always room for improvement. We will continue to work with our students to minimize bullying and encourage tolerance and cooperation.

Section II

Policy **BLOCHMAN UNION SCHOOL DISTRICT**

adopted: November 14, 2017 Santa Maria, California

B. Nondiscrimination/Harassment/Anti-Bullying (BP 5145.3)

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the Governing Board and the Superintendent in enacting policies and procedures that govern the district.

The Board desires to provide a welcoming, safe, and supportive school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, of any student by anyone, based on the student's actual or perceived race; color; ancestry; nationality; national origin; immigration status; ethnic group identification; ethnicity; age; religion; pregnancy, childbirth, termination of pregnancy or lactation, including related medical conditions or recovery; parental, marital, and family status; physical or mental disability; medical condition; sex; sex stereotypes; sex characteristics; sexual orientation; gender; gender identity; gender expression; or genetic information; or, association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

Because unlawful discrimination could occur when disciplining students, including suspension and expulsion, the Superintendent or designee shall ensure that staff enforce discipline rules fairly, consistently and in a non-discriminatory manner, as specified in Board Policy and Administrative Regulation 5144 - Discipline, Board Policy and Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students With Disabilities).

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates, participates, or refuses to participate in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. (Education Code 234.1, 234.6; 34 CFR 106.8)

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

When a student has been suspended, or other means of correction have been implemented against the student for an incident of racist bullying, harassment, or intimidation, the principal or designee shall engage both the victim and perpetrator in a restorative justice practice suitable to the needs of the students. The principal or designee shall also require the perpetrator to engage in a culturally sensitive program that promotes racial justice and equity and combats racism and ignorance and shall regularly check on the victim to ensure that the victim is not in danger of suffering from any long-lasting mental health issues. (Education Code 48900.5)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

Allegations of unlawful discrimination in district programs and activities shall be brought, investigated, and resolved in accordance with Board Policy 1312.3 - Uniform Complaint Procedures, when required by law. However, complaints alleging sex discrimination, including sex-based harassment, under Title IX shall be investigated and resolved in accordance with the procedures specified in 34 CFR 106.44 and 106.45 and Administrative Regulation 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on the person's training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, acting in a professional capacity or within the scope of employment, the mandated reporter has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall not be required to disclose the mandated reporter's identity to a supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

Training

Within the first six weeks of each school year, or within the first six weeks of employment if hired during the school year, the Superintendent or designee shall provide training on mandated reporting requirements to district employees and persons working on their behalf who are mandated reporters. (Education Code 44691; Penal Code 11165.7)

The Superintendent or designee shall use the online training module provided by the California Department of Social Services (CDSS). (Education Code 44691)

The training shall include, but not necessarily be limited to, training in identification and reporting of child abuse and neglect. Victim Interviews by Social Services

Whenever CDSS or another government agency is investigating suspected child abuse or neglect that occurred within the child's home or out-of-home care facility, the student may be interviewed by an agency representative during school hours, on school premises. The Superintendent or designee shall give the student the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the student. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected

person accepts, the principal or designee shall inform the person of the following requirements prior to the interview: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable the child to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. (Education Code 48906)

Parent/Guardian Complaints

Upon request, the Superintendent or designee shall provide parents/guardians with procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those guidelines and/or procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee shall also file a report when obligated to do so pursuant to Penal Code 11166 using the procedures described above for mandated reporters.

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 3200-3205.

Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

Before beginning employment, any person who will be a mandated reporter by virtue of the person's position shall sign a statement indicating knowledge of the reporting obligations under Penal Code 11166 and compliance with such provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

The Superintendent or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of the mandated reporter's professional capacity or outside the scope of employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that the person knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)

2. If a mandated reporter fails to timely report an incident of known or reasonably suspected child abuse or neglect, the mandated reporter may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166) No employee shall be subject to any sanction by the district for making a report unless it can be shown that the employee knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11166, 11172)

Grounds for Suspension and Expulsion: Grades K-12

Acts for which a student, including a student with disabilities, may be suspended or expelled shall be only those specified as follows and in the sections "Additional Grounds for Suspension and Expulsion: Grades 4-12" and "Additional Grounds for Suspension and Expulsion: Grades 9-12" below:

Suspension from Class by a Teacher

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code 48900 and listed as Items #1-19 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level, including grades K-8. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or

teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code 48910)

A teacher may also refer a student, for any of the acts specified above in Education Code 48900, to the principal or designee for consideration of a suspension from school. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity away from school to have committed any of the acts listed in the Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of Items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension upon a student, including supervised suspension, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school or class, or continuation school or class for the purpose of adjustment, the student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against the student, and shall be given the opportunity to present the student's version and evidence in the student's defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, the student, the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, shall be notified of the student's right to a conference and the right to return to school for the purpose of the conference. The

conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school for the conference. (Education Code 48911)

2. Administrative Actions: All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. Notice to Parents/Guardians: At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or if the student is an Indian child, the Indian child's tribal social worker, and, if applicable, the county social worker, in person, by email, or by telephone. Whenever a student is suspended, the parent/guardian, or, if applicable, the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, the county social worker, shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

4. In addition, the notice may state the date and time when the student may return to school.
5. Parent/Guardian Conference: Whenever a student is suspended, school officials may conduct a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, the notice may state that the law requires such individuals to respond to the request without delay.

However, the student shall not be penalized for the failure of the parent/guardian, a foster youth's educational rights holder, attorney, and county social worker, or an Indian child's tribal social worker, and, if applicable, the county social worker, to attend such a conference. The student may not be denied reinstatement solely because such individuals failed to attend the conference. (Education Code 48911)

6. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)
 - a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
 - b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process.
 - c. If the student involved is a foster youth or Indian child, the Superintendent or designee shall notify the district's educational liaison of the need to invite the foster youth's educational rights holder, attorney and county social worker, or the Indian child's tribal social worker or, if applicable, the county social worker, to attend the meeting. (Education Code 48853.5, 48911, 48918.1)
 - d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)
 - e. In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate

a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

The Board shall provide the student and parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice.

However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting the student's teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian, or if the student is a foster youth, the foster youth's educational rights holder, attorney, and county social worker, or, if the student is an Indian child, the Indian child's tribal social worker and, if applicable, county social worker, in person, by email, or by telephone. When the assignment is for longer than one class period, this notification shall be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
 2. Possession of any knife or other dangerous object of no reasonable use to the student
 3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11059, except for:
 - a. The first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis
 - b. The student's possession of over-the-counter medication for use by the student for medical purposes
 - c. Medication prescribed for the student by a physician
 4. Robbery or extortion
 5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee
- In determining whether to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an offense for which the student may be expelled, the Superintendent, principal, or designee shall offer the student, the student's parent/guardian, or, when applicable, other person holding the right to make educational decisions for the student, the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after written notice of the expulsion hearing pursuant to Education Code 48918 has been given.

The stipulation agreement shall be in writing and shall be signed by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student, the student's parent/guardian, or, when applicable, the person holding the right to make educational decisions for the student, shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code 48918.5)

1. Receive five days' notice of the scheduled testimony at the hearing
2. Have up to two adult support persons present at the hearing at the time the witness testifies
3. Have a closed hearing during the time the witness testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment
This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).
5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth, Homeless Students, and Indian Children

If the student facing expulsion is a foster student or Indian child, the Superintendent or designee shall also send notice of the hearing to the foster youth's educational rights holder, attorney, and county social worker, or the Indian child's tribal social worker and, if applicable, county social worker, at least 10 calendar days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 calendar days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)
2. Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))
3. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
4. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in Item #6 below. (Education Code 48918(i))
5. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds

for Suspension and Expulsion: Grades 9-12" above. (Education Code 48918(h))

6. Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

7. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by the student's parent/guardian, the

Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
 2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
 3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)

Comprehensive School Safety Plan with Instructional Continuity Plan incorporated

There is a new law requiring school districts to have an addition to their School Wide Safety Plan called an Instructional Continuity Plan. Basically, this is a plan in place for how schools will notify parents and guardians in the event of a school closure or emergency. Everything about our plan remains the same except for the new addition of the Instructional Continuity Plan, or ICP. Key staff members have written and implemented this new addition into our existing Comprehensive School Safety Plan. Nancy Shafer thanked those members for their input and hard work to complete the plan. It will be posted and available for everyone to read. Principal Doug Brown called for a motion to approve the plan.

Stacey Rapp made a motion to approve the plan.
