## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

The Blochman Union School District is a one school district that encompasses the unincorporated towns of Sisquoc, Garey and Tepusquet. The district's only school, Benjamin Foxen Elementary, is a K-8 school with 196 students located in the Santa Maria Valley of Santa Barbara County. In addition, Blochman sponsors four charter schools, Family Partnership Charter School (K-12), Trivium Charter School (K-12), Trivium Charter School: Adventure (K-12), and Trivium Charter School: Voyage (K-12). All charter schools are independent study schools serving students in Santa Barbara and San Luis Obispo Counties.

After 8th grade promotion from Benjamin Foxen Elementary School, students attend the Santa Maria Joint Union High School District. Local industries include farming, oil production, rock/sand/gravel production and vineyards/wine production. There are two universities and three community colleges located within a 65 mile radius of the District.

The mission of the Blochman Union School District is to ensure the educational success of all students by maintaining high expectations, a safe learning environment, a commitment to excellence, and comprehensive programs which empower children to reach their fullest potential as responsible citizens in a continuously changing world.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school’s use of any supplemental curriculum or non-adopted textbooks or instructional materials.

## School Facility Conditions and Planned Improvements

Benjamin Foxen School provides a safe, clean environment for student, staff and volunteers. School facilities were built in 1951 and span 11 acres. The buildings consist of 11 classrooms, an office, multi-purpose room/cafeteria, library and a bus barn. Two portable classrooms were added in 2015. Benjamin Foxen School is a community resource. The facilities are used by 4-H and several other organizations. Our facilities and campus safety are supported by classified staff including two maintenance workers, a Food Service Manager and head cook, a school secretary, an accounting assistant, a library assistant and a business manager. A scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are maintained at a level that provides for a good learning environment. The District complies with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The District's Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster. Fire drills are held regularly.

Repairs necessary to keep the school in good repair and working order are completed in a timely manner. Blochman Union School District administers a scheduled maintenance program to ensure that all classrooms and facilities are well-maintained and provide a suitable learning environment.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	42	35	34	32	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Benjamin Foxen Elementary. Parents are encouraged to work closely with the school in a variety of classroom volunteer positions.

The School Site Council (SSC) is made up of parents and staff who are responsible for the development of the school's School Improvement Plan. Parents are kept current with their student's progress through parent teacher conferences that are scheduled twice a year and supported by mini-conferences throughout the year.

The Local Control Accountability Plan Committee (LCAP) is actively involved in helping the District formulate and implement goals and plans.

The school welcomes parents to become active members on one or more of the many committees and councils as well as attending the school board meetings to stay informed of district and school issues.

## 2023-24 School Safety Plan

Benjamin Foxen Elementary School district administrators have the task and responsibility to ensure the safety of their students and staff in an emergency, whether it's an earthquake, a flood or an act of terrorism. Developing emergency operations plans and training staff in emergency response procedures is required by law. The safety of students and staff is a primary concern of Benjamin Foxen School. The school complies with all laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and earthquake drills are conducted on a regular basis throughout the school year. The campus is closed and adult supervision is provided before school, after school, and during recesses.

The Comprehensive School Safety Plan was developed by the school in consultation with local first responders in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting, procedures, teacher notification of dangerous pupil procedures, and disaster response procedures. Benjamin Foxen School reviews the plan annually and updates it as needed. The plan was last reviewed by the School Site Council on October 24, 2023 and the Board of Education November 14, 2023. A copy of the safety plan is available to the public at the school office and on the district website.

## Fiscal Year 2022-23 Types of Services Funded

We offer the targeted, researched based Step Up to Writing program and train teachers on the effective use of this program, provide an intervention teacher, and a full-time instructional assistant for intervention. A dedicated intervention teacher and an instructional assistant will provide the additional support students may need in order to improve their English Language Arts (ELA) and math skills.

Students in the low performing category for ELA receive intensive intervention provided by a certificated intervention teacher. The evidence-based methodologies to be used are Orton Gillingham multi-sensory direct instruction (Project Read and Barton), as well as Lindamood Bell Seeing Stars Sensory Imaging, and Read Naturally. The method used will depend on the characteristics and type of difficulty the student is manifesting.

Students in the low performing category for math are receiving intensive intervention provided by a certificated intervention teacher. We also have a math tutor available for students needing additional math support.

An instructional strategy to promote reading is being implemented in grades K-5 consisting of a Reading Workshop using Responsive Teaching. This strategy uses current best practices in teaching, while supporting the individual needs of every student. Furthermore, as a way to ensure the success of Reading Workshop, we are providing the tools to set up a leveled classroom library at each grade level, as well as to utilize the Fountas & Pinnell Benchmark Assessment System for reading assessment. The school also provides numerous opportunities for field trips and on-site music instruction through a collaboration with Coelho Music.
